#### Premises:

Apartment # 143 at the InTown Suites Extended Stay located at 109 S Gallaher View Rd., Knoxville, TN 37919 in the Eastern District of Tennessee, for any computer/device(s), computer-related media and smartphones located on the premises and within the blue Toyota Sienna TN tag 343BGQD.

#### Physical Description of Premises:

See Attached photo of apartment # 143 of the InTown Suites Extended Stay building located at 109 S Gallaher View Rd., Knoxville, TN 37919. See attached photograph of Toyota Sienna TN Tag 343BGQD.

#### Premises Location:

The InTown Suites Extended Stay is located at 109 S Gallaher View Rd., Knoxville, TN 37919. Apartment #143 is located on the ground floor on the South East side of the building. The apartment has a blue door and the number 143 to the right of the door. Windows on either side of the door with what appears to be an air conditioning/heating unit under the window to the right of the door. The Toyota Sienna TN Tag 343BGQD is usually parked in the parking lot of the apartment complex in front of or near apartment #143.

## ATTACHMENT B

**Below is a list of items to be searched and seized from the premises described in ATTACHMENT A:**

1. Computer(s), computer hardware, software, related documentation, passwords, data security devices (as described below), videotapes, video recording devices, video recording players, monitors and or televisions, flatbed scanners and data where instrumentalities of and will contain evidence related to this crime. The following definitions apply to the terms as set out in this attachment:

(a) Computer Hardware:

Computer hardware consists of all equipment, which can receive, capture, collect, analyze, create, display, convert, store, conceal, or transmit electronic, magnetic, or similar computer impulses or data. Hardware includes any data-processing devices (including but not limited to central processing units; internal and peripheral storage devices such as thumb drives, CD-ROMs, external hard drives, media cards (SD, Compact Flash, micro SD, memory stick), smart phones, smart televisions, computer game consoles (Sony PlayStation, Xbox), tablets, iPods or iPads, and other memory storage devices); peripheral input/output devices (including but not limited to keyboards, printers, video display monitors, and related communication devices such as cables and connections), as well as any devices, mechanisms, or parts that can be used to restrict access to computer hardware (including but not limited to physical keys and locks).

(b) Computer Software:

Computer software is digital information, which can be interpreted by a computer and any of its related components to direct the way they work. Software is stored in electronic, magnetic, or other digital form. It commonly includes programs to run operating systems, applications, and utilities.

(c) Documentation:

Computer-related documentation consists of written, recorded, printed, or electronically stored material, which explains or illustrates how to configure or use computer hardware, software, or other related items.

(d) Passwords and Data Security Devices:

Computer passwords and other data security devices are designed to restrict access to or hide computer software, documentation, or data. Data security devices may consist of hardware, software, or other programming code. A password (a string of alpha-numeric characters) usually operates a sort of digital key to "unlock" particular data security devices. Data security hardware may include encryption devices, chips, and circuit boards. Data security software of digital code may include programming code that creates "test" keys or "hot" keys, which perform certain pre-set security functions when touched. Data security software or code may also encrypt, compress,

hide, or “booby-trap” protected data to make it inaccessible or unusable, as well as reverse the progress to restore it.

1. Child pornography in any form.
2. Any and all notes, documents, records, or correspondence pertaining to child pornography as defined under Title 18, United States Code, Section 2256(8).
3. Any and all correspondence identifying persons transmitting, through interstate commerce including the United States mail or computers, any visual depictions of minors engaged in sexually explicit conduct, as defined in Title 18, United States Code, Section 2256(2).
4. Any and all diaries, notebooks, notes, and any other records reflecting personal contact and any other activities with minors visually depicted while engaged in sexually explicit conduct, as defined in Title 18, United States Code, Section 2256(2).
